Just Space is an alliance of community groups, voluntary sector organisations and special interest groups formed to act as a voice for Londoners at grass-roots level during the preparation and examination of London's major planning strategy.

The process is technical, detailed and often daunting for the majority of people even though the issues themselves are readily understood.

The **Urban Salon** is a London based seminar series aimed at scholars, artists, practitioners and others who are exploring experiences of the city within different contexts. You can sign up to receive notices at our website, www.theurbansalon.org

We meet at one of the participating colleges from 6-8pm once a month during term time. Colleges represented include LSE, King's College, Brunel, Goldsmith's, City University and UCL.
